In July 2009, Citroen showed the second generation of C3. It was launched in November 2009 as a model for the 2010 model year. All the information is now provided by Scan MyCitroën. The new body design with panoramic windshield was presented, giving a field of view of 108 degrees. A similar panoramic glass is installed on the older C4 Picasso and the Opel Astra Sport hatchback, as well as on an entirely new VT model. Also noteworthy was the installation of a panoramic transparent roof as an option. The new C3 uses a mixture of analog dials under a torch and a digital display of fuel consumption and on-board computer displays. This Revue Technique for the Citroën C3 II Phase 1 Diesel describes extensively maintenance and repair of the 1.4 HDi and 1.6 HDi diesel engines (including timing gear, cylinder head, lubrication, coolant pump and fuel system).Covers also work on the clutch, transmission, driveshafts, steering system, suspension, wheel hubs, brakes and electric equipment.Special attention for the body (bumpers, headlamps, interior trim, removable parts, windows and window mechanisms, glued parts, welded parts and body check on the straightening bench).Complete with adjustment data.An integral owner's handbook gives information on operation and daily maintenance.Full colour. Many components derived from C3 Peugeot 206. Like the previous generation, the new C3 uses a sloping roof shape and other details of the design of its predecessor, as well as design features that overlap with other brand models, while at the same time it has become wider and longer than its predecessor. Rich for its class of equipment and a large selection of complete sets allowed C3 to achieve significant commercial success. The app will then automatically identify the part displayed. The new C3 was presented at the Frankfurt Motor Show in September 2009. These manuals provide extensive information and tips for maintenance, repair and restoration, for both the professional and the experienced do-it-yourselfer. The C3 was available with petrol engines of 1.1, 1.4 and 1.6 liters, as well as 1.4 and 1.6 liter HDi Common rail diesel engines.
